Public Health Nursing Practice: Health Visiting/School Nursing MSc
Information Session

Date: 11 December 2013  
Time: 2.00pm - 4.00pm  
Venue: University of Huddersfield, Canalside West CWG/02

This information session is aimed at qualified nurses and midwives (or those about to qualify) who wish to consider pursuing a career in health visiting or school nursing and want to find out more about the University’s Public Health Nursing Practice MSc.

Public Health Nursing Practice MSc

On the course you will develop a range of generic and specialist public health nursing skills, in order to deliver a quality service to children, families and communities.

Successful completion of this course leads to:
- Registration on Part 3 of the Nursing and Midwifery Council (NMC) Register as either a Health Visitor or School Nurse.
- A recordable qualification with the NMC in Nurse Prescribing (V100).

Why attend the event?

This event will provide you with the opportunity to:
- Meet members of the course team and ask any questions that you may have
- Find out about the entry requirements, content and structure of the programme
- Understand the application process
- Obtain information about training contracts and practice placements
- Find out how you will be supported as a learner at the University
- Meet placement providers

Further information

This event is free of charge and you are not required to book. If you would like any further information please contact:
